2015 Annual Meeting

October 1-4, 2015
Sugar Land Marriott
Town Square
16090 City Walk
Sugar Land, Texas 77479

Texas Pediatric Society
The Texas Chapter of the American Academy of Pediatrics
Children’s Hospital Association of Texas
An Association for the Advancement of Children’s Healthcare in Texas

Welcomes

THE TEXAS PEDIATRIC SOCIETY
To Sugar Land
For Its 2015 Annual Meeting

Our Member Hospitals:

Children’s Health (formerly Children’s Medical Center)
(Dallas)
Children’s Hospital of San Antonio
(San Antonio)
Cook Children’s Medical Center
(Fort Worth)
Covenant Children’s Hospital
(Lubbock)
Dell Children’s Medical Center of Central Texas
(Austin)
Driscoll Children’s Hospital
(Corpus Christi)
Texas Children’s Hospital
(Houston)

823 Congress Avenue, Suite 1500
Austin, TX 78701
www.childhealthtx.org
Hotel Accommodations

The Marriott Sugar Land Town Square in Sugar Land, Texas is the headquarters hotel for the meeting. Rates are $155 single/double plus state and local taxes. Reservations must be made by Wednesday, September 9, 2015, to guarantee the convention rate and availability. Reservations cancelled less than 48 hours prior to arrival will be assessed one night’s room and tax. To make reservations, call (800) 228-9290 and reference the Texas Pediatric Society to get the special rate. To book guest rooms online go to http://tinyurl.com/tps2015AM

Parking

There is ample complimentary self-parking in the garages on either side of the Marriott Hotel – see map of the hotel and surrounding Town Square for parking locations online at http://sugarlandtownsquare.com/parking/. Valet parking is $23 overnight.

Ground Transportation

Taxis, rental cars and shuttle services are available to and from both George W Bush International Airport (approximately 40 miles from Marriott Hotel) and Houston Hobby Airport (approximately 25 miles from Marriott Hotel).

Directions

The Marriott is located in Southwest Houston at the intersection of Hwy 59 South and Hwy 6 South.
CME Programs
Thursday, October 1

MORNING SESSIONS
8:30 – 11:45 am
AMA PRA Category I Credits™: 3 hours

8:30 – 9:30 am
Treating Depression in Primary Care: Screening, Treatment, and Treatment Considerations
Graham J. Emslie, MD, Dallas
Laura Lamminen, PhD, Dallas

Objectives:
1. Review the importance for primary care providers to understand and recognize depression along with co-occurring or differential diagnoses.
2. Discuss screening and assessment strategies for evaluating and managing youth with depression and suicidal thoughts and behaviors.
3. Review treatment strategies for youth with depression and suicidal thoughts and behaviors.

9:30 – 10:30 am
Behavioral Screening in Primary Care
Nhung Tran, MD, Temple

Objectives:
1. To describe the prevalence of behavioral problems in the primary care setting.
2. To describe informal and formal methods for identifying behavioral problems in children.
3. To describe how to incorporate formal screening methods (tools) into practice.

10:45 – 11:45 am
Connecting the Dots: Chronic Illness, Mental Health, and Behavior Change
David Heckler, PhD, Austin

Objectives:
1. Participants will identify the most common chronic illnesses of childhood and the prevalence of associated mental health problems.
2. Participants will be able to screen patients with chronic illness for comorbid mental health conditions including anxiety, depression, and substance abuse.
3. Participants will be able to implement effective strategies to integrate mental health care into chronic disease management principles to improve patient outcomes.

AFTERNOON CONCURRENT SESSIONS
1:30 pm – 4:00 pm (INCLUDES 30 MINUTE BREAK)

AMA PRA Category I Credits™: 2 hours

Achieving Asthma Success: Optimizing Therapy – Not Too Much and Not Too Little: Using Multidisciplinary Teams to Improve Asthma Outcomes
Harold J. Farber, MD, MSPH, FAAP, Houston
Nyree Benjamin, RN, Houston

Objectives:
1. Diagnose asthma and avoid the pitfalls of overdiagnosis and underdiagnosis.
2. Utilize optimal treatment and develop an action plan that avoids the pitfalls of overuse and underuse.
3. Discuss the role of and be able to use multidisciplinary teams to improve asthma outcomes for your patients.

Up and Coming from Texas: Newborn Screens
Gail J. Harrison, MD, Houston
Sanjiv Harpavat, MD PhD, Houston

Objectives:
1. Identify the timing of CMV testing for newborns with failed newborn hearing screen Proposal.
2. Identify the follow up treatment and management of newborns with congenital CMV Proposal.
3. Identify the importance of early diagnosis of biliary atresia using the direct bilirubin screening test.

The Public Pediatrician: A Practical Workshop for Building a Powerful Social Media Presence As a Healthcare Provider
Justin Smith, MD, Irving
Brian S. Vartabedain, MD, FAAP, The Woodlands

Objectives:
1. Discuss building a powerful online presence on a time-limited budget.
2. Secrets of online reputation management and how to approach negative online reviews.
3. Discuss maintaining a strong Twitter and Facebook presence as a medical professional or practice.
**Friday, October 2**

**MORNING CONCURRENT SESSIONS**

**AMA PRA Category I Credits®:** 2 hours  
**ETHICS CREDIT:** 2 hours

**9:30 – 11:30 am**

**Could, Should, Would In Family Education: Balancing Shared Decision Making with Evidence Based Information [ETHICS]**

Toni Wakefield MD, FAAP, Austin  
Jorge F. Ganem, MD, Austin  
Meena Iyer MD, Austin

**Objectives:**

1. Analyze key components of SDM, differentiate between preference-sensitive care and ‘effective EBM care’, and develop effective approaches including motivational interviewing.
2. Discuss key literature on SDM and Patient Decision Aids and how the International Patient Decision Aid Standards (IPDAS) can be utilized to evaluate suitability of individual aids.
3. Describe the barriers utilizing Shared Decision Making in family education settings and discuss techniques to incorporate Shared Making into their work flow.

**EBCD Anticipatory Guidance: Best Practices for Birth to 5- How Do You Fit It All In?**

Rebecca L Huston, MD, MPH, FAAP, San Antonio  
Julie La Barba, MD, FAAP, San Antonio

**Objectives:**

1. Recognize the impact of toxic stress and early childhood experiences on Early Brain and Child Development.
2. Summarize the key components of the Bright Futures Guidelines.
3. Implement new approaches and resources into the well child care they deliver.

**Transgender 101: Caring for Gender Non-Conforming Children and Adolescents**

Jennifer M Feldmann, MD, MPH, FAAP, Houston  
May C. Lau, MD, MPH, Dallas  
Colton L. Keo-Meier, PhD, Houston

**Objectives:**

1. Discuss gender development and components of an individual’s gender.
2. Outline diagnostic criteria for gender dysphoria and outcomes for gender non-conforming individuals.
3. Detail supportive interventions including medical therapies for puberty suppression, masculinization and feminization.

**AFTERNOON CONCURRENT SESSIONS**

**AMA PRA Category I Credits®:** 1.75 hours  
**ETHICS CREDIT:** 1.75 hours

**1:30 pm – 3:15 pm**

**An Injury Prevention Toolkit for Primary Care Pediatricians and their staff**

Rohit Shenoi, MD, Houston  
Kristen L. Beckworth, MPH, CHES, CPSTI, Houston

**Objectives:**

1. Utilize hands-on practical skills involving child passenger safety seats.
2. Discuss practical information involving the prevention of common unintentional childhood injuries.

**Outpatient Management of Common Respiratory Problems in a NICU graduate**

Filomena Hazel Villa, MD, San Antonio

**Objectives:**

1. Discuss common respiratory problems of a NICU graduate.
2. Discuss outpatient interventions of respiratory disorders in infants with chronic lung disease of infancy.
3. Present outpatient diagnostic studies that will assist in the management of an infant with chronic lung disease.

**Breaking Bad News: Approaching Difficult Communication [ETHICS]**

Karen E. Johnson, MD, Houston

**Objectives:**

1. Identify psychological, social and spiritual issues confronting patients when receiving bad news.
2. Identify areas for improvement in delivering bad news to families and implement strategies to enhance knowledge and skills.
3. Demonstrate communication with parents and other family members in a compassionate manner.

**3:15 – 3:45 am BREAK**

**LATE AFTERNOON – CONCURRENT SESSIONS-REPEATED**

**AMA PRA Category I Credits®:** 1.75 hours  
**ETHICS CREDIT:** 1.75 hours

**3:45 – 5:30 pm**

**An Injury Prevention Toolkit for Primary Care Pediatricians and their staff**

Rohit Shenoi, MD, Houston  
Kristen L. Beckworth, MPH, CHES, CPSTI, Houston

**Objectives:**

1. Utilize hands-on practical skills involving child passenger safety seats.
2. Discuss practical information involving the prevention of common unintentional childhood injuries.

**Outpatient Management of Common Respiratory Problems in a NICU graduate**

Filomena Hazel Villa, MD, San Antonio

**Objectives:**

1. To review common respiratory problems of a NICU graduate.
2. To discuss outpatient interventions of respiratory disorders in infants with chronic lung disease.
3. To present outpatient diagnostic studies that will assist in the management of an infant with chronic lung disease.

**Breaking Bad News: Approaching Difficult Communication [ETHICS]**

Karen E. Johnson, MD, Houston

**Objectives:**

1. Identify psychological, social and spiritual issues confronting patients when receiving bad news.
2. Identify areas for improvement in delivering bad news to families and implement strategies to enhance knowledge and skills.
3. Demonstrate communication with parents and other family members in a compassionate manner.
Saturday, October 3

PLENARY SESSION
AMA PRA Category I Credits™: 6.5 hours
ETHICS CREDIT: 1.75 hours

8:00 – 9:00 am
No Bones About It… This is Sports MEDICINE
Shane M. Miller, MD, FAAP, Plano

Objectives:
1. Discuss current recommendations regarding cardiac screening for sports participation.
2. Detail return to play guidelines following a concussion.

9:00 – 9:45 am
Separating the Wheat From the Chaff: The Use and mis-use of the medical literature
Christopher Spencer Greeley, MD, MS, Houston

Objectives:
1. Discuss the basics of how medical journals and papers are structured.
2. Analyze how to critically appraise a journal paper and how to avoid pitfalls.
3. Assess the strengths and weaknesses of the peer review.

9:45 – 10:00 am BREAK

10:00 – 11:00 am
Arboviral and Other Tropical Diseases a Pediatrician Should Recognize
Kristy Murray, DVM, PhD, Houston
Judith Campbell, MD, Houston

Objectives:
1. Review of the current epidemiology of arbovirus and tropical diseases in Texas and the US
2. Recognize Dengue, Chikingunya, Chagas disease and other tropical diseases in children
3. Diagnosis and management of arbovirus infections - what is new?

11:00 – 11:30 am
Update on AAP Priorities
Bernard P. Dreyer, MD, New York

Objectives:
Following completion of this activity the attendee will be able to identify current AAP priorities and will receive a general update on national initiatives.

11:30 am – 1:30 pm
Awards Luncheon and Business Meeting
**CME Programs**

**Sunday, October 4, 2015**

**PLENARY SESSION**

*AMA PRA Category I Credits™: 4 hours*  
*ETHICS CREDIT: 3 hours*

**8:00 – 9:00 am**  
**Vaping, Smoke and Mirrors [ETHICS]**  
Janet F. Williams, MD, FAAP, San Antonio  
Lorena I. Mottu MSN, APRN, FNP-C, AE-C, Houston  

**Objectives:**  
1. Review pathophysiology & epidemiology relative to exposure; explore the array of delivery devices available as well as the known and perceived unique risks of each.  
2. Explore the role and efficacy of e-cigarettes and similar products in tobacco cessation; learn where providers can access the latest tobacco use cessation resources and tools for effective counseling of patients and families about risks.  
3. Discuss product marketing to youth, regulatory proposals and advocacy opportunities.

**9:00 – 10:00 am**  
**When Parents Decline to Follow Medical Advice [ETHICS]**  
Regine M. Fortunov, MD, Houston  
Tiffany McKee-Garrett, MD, Houston  

**Objectives:**  
1. Identify common treatments parents decline and the medical indications for their use.  
2. Utilize critical interview skills to identify the likely reason for refusal of medical advice, and the effect of media, culture, family, and religion on decision making.  
3. Direct parental discussions based on the category of treatment, i.e. acute vs chronic, preventative vs. therapeutic, and effectively approach the subject of CPS referral.

**11:15 am – 12:15 pm**  
A Guide to Providing Comprehensive Care to Children and Adolescents to Unaccompanied Minors Immigrating From Central and South America [ETHICS]  
Rachael J. Keefe, MD, MPH, Houston  

**Objectives:**  
1. Outline of needs assessment of unaccompanied minors traveling from Central and South America in Texas.  
2. Identify specific and unique problems commonly seen with unaccompanied minors and guidelines in assessing these children and adolescents.  
3. Provide resources throughout Texas for these unaccompanied minors.

**12:15 pm ADJOURN**

**10:00 – 10:15 am**  
**BREAK**

**10:15 – 11:15 am**  
**Academic Performance Problems in Primary Care:**  
Application in ADHD  
Marsha B Carpenter, MD, Dallas  

**Objectives:**  
1. Analyze basic constructs of educational laws  
2. Recognize importance of diagnosis (Dx) and treatment (Tx) of ADHD in the medical home  
3. Describe how children with ADHD can receive support under federal laws: Section 504 and IDEA (OHI)

---

**Congratulations William Dirksen, MD**

Driscoll Children’s Hospital congratulates Dr. Dirksen as he begins his term as president of the Texas Pediatric Society.

12:30 – 1:30 pm
How to Handle Difficult Parents

1:30 – 3:00 pm
Coding for the General Pediatrician: What’s Old, What’s New and What’s Coming

3:00 – 3:30 pm
Break

3:30 – 4:00 pm
Tackling Nutrition Myths: Dairy Fact or Fiction

4:00 – 5:00 pm
Key Performance Indicators Every Pediatric Practice Should Be Tracking

Resident Section

Saturday, October 3rd

8:30 am – 11:30 pm & 3:45 – 5:00 pm

Facilitators: Lauren Gambill, MD, Austin
Ittay Moreno, MD, El Paso

Residents members of TPS receive complimentary meeting registration; however, you must pre-register! The program will be designed especially to meet your interests. Your registration includes a ticket to the Awards Luncheon and all receptions, the exhibits hall and all CME programs.

For more information
contact: Claire Foster at 512-370-1517 or Claire.Foster@txpeds.org

Medical Student Section

Saturday, October 3rd

8:30 – 5:30 pm

Facilitators: Vikas Gupta, UTHSC Houston
Megan Trainer, BCOM, and Natalie Tedford UTHSC, Houston

Some of the topics covered in the Medical Student Section Program will include:

How to shine on the wards as a resident, “Tricks of the trade”- interacting with various age groups during the history and physical exam, Interviewing for your Residency and how to find and gain acceptance to a residency program that is a good fit for you, and balancing family and residency/work, options in Pediatric Practice. Medical Student members of TPS receive complimentary meeting registration; however, you must pre-register! The program will be designed especially to meet your interests.

For more information,
contact: Amy White at 512-370-1519 or Amy.White@txpeds.org

Early Career Physicians

Saturday, October 3rd

7:00 – 8:00 am
Early Career Physicians Breakfast

A networking event for ECP Members who are interested in meeting other TPS ECP physicians.

For more information
contact: Claire Foster at 512-370-1517 or Claire.Foster@txpeds.org
TPS Acknowledgements and Awards

2015 TPS Fellow, Resident and Medical Student E-Poster Contest Winners

Medical Students

SINGLE/MULTIPLE CASE PRESENTATION
1st Place
Why so Blue? Milk Protein Allergy presenting as Methemoglobinemia
Denna Zebda • UTHSC-Houston
Honorable Mention
Allergic Fungal Rhinosinusitis: A Case Study
Maha Yousif • UTMB

HYPOTHESIS DRIVEN PROJECT
1st Place
Prevalence of Infant Bed-sharing in Breastfeeding Mothers
Kristen Slaymaker • TCOM

EVIDENCE BASED MEDICINE AND QUALITY IMPROVEMENT
1st Place
Prenatal Breastfeeding Promotion Project
Cami Hebert • UTSW Dallas/Children’s Medical Center
Honorable Mention
Recent Trends in Computed Tomography (CT) Imaging in Pediatric Patients in Emergency Departments (EDs):
What is the role of alternative imaging?
Kokila Kakarala • TTUHSC-Lubbock

Residents

SINGLE/MULTIPLE CASE PRESENTATION
1st Place
Severe HIV disease in a rapid antibody negative infant infected after late maternal incident HIV infection:
A case report from Lilongwe, Malawi
Andrea Dean, MD • Baylor College of Medicine/ Texas Children’s Hospital
Honorable Mention
A strange case of Appendicitis
Caleb Choe, MD • UTHSC-Houston
Honorable Mention
Pulmonary Shadow on Prenatal Sonogram
Haitham Al-Wahab, MD • TTUHSC-El Paso

HYPOTHESIS DRIVEN PROJECT
1st Place
Determining Persistence of Bocavirus DNA in the Respiratory Tract of Children by Pyrosequencing
Johana Castro Wagner, MD • UTMB
Honorable Mention
Role of a Single Prophylactic Dose of Vancomycin in the Prevention of Neonatal Sepsis Associated with Peripherally Inserted Central Venous Catheter Removal
Lovya George, MD • UTMB

EVIDENCE BASED MEDICINE AND QUALITY IMPROVEMENT
1st Place
Screening and Treatment of Dyslipidemia in Youth with Diabetes: Do We Follow the Guidelines?
Melissa Chambers, DO • Scott & White
Honorable Mention
Toxic Stress Screening and Documentation in a Resident Continuity Clinic
Jessica Lanerie, MD • Baylor College of Medicine/ Texas Children’s Hospital
Honorable Mention
Our Little Soldiers: A Book for Children Living with HIV
Robert Ricketts, MD • Baylor College of Medicine/ Texas Children’s Hospital

Fellows

HYPOTHESIS DRIVEN PROJECT
1st Place
Physical Activity and Self-Esteem in Mother-Daughter Dyads Participating in a Physical Activity and positive Youth Development Program
Ana Monterrey, MD • Baylor College of Medicine/ Texas Children’s Hospital

One of the nation’s top hospitals, we’ve spent 60 years pioneering treatments and pushing boundaries right here in the Lone Star State.

Only in Texas.
TPS Acknowledgements and Awards

2015 TPS Award Recipients

Michael Speer, MD, Houston, is the recipient of the TPS Charles W. Daeschner, Jr., MD Lifetime Achievement Award, the highest award of the Texas Pediatric Society.

O.W. “Skip” Brown, MD, Galveston, is the recipient of the TPS Sidney R. Kaliski Award of Merit in recognition of his many and continuing leadership to the TPS and contributions to improve the health of the children of Texas.

Atoosa Kourosh, MD, Houston, is the recipient of the TPS Mary Greene-Noble Special Achievement Award for her outstanding work and enthusiastic involvement in the areas of injury prevention, environmental health and obesity projects.

Mary Dale Peterson, MD, Corpus Christi, is the recipient of the TPS Early Career Physician Award recognizing her contributions for exemplary advocacy efforts on behalf of TPS. This is the first year for recognizing an early career physician for work on behalf of TPS and children’s health and well-being.

O.W. “Skip” Brown, MD, Galveston, is the recipient of the TPS Sidney R. Kaliski Award of Merit in recognition of his many and continuing leadership to the TPS and contributions to improve the health of the children of Texas.

Atoosa Kourosh, MD, Houston, is the recipient of the TPS Mary Greene-Noble Special Achievement Award for her outstanding work and enthusiastic involvement in the areas of injury prevention, environmental health and obesity projects.

Mary Dale Peterson, MD, Corpus Christi, is the recipient of the TPS Early Career Physician Award recognizing her contributions for exemplary advocacy efforts on behalf of TPS. This is the first year for recognizing an early career physician for work on behalf of TPS and children’s health and well-being.

The following out-going TPS Committee Chairs will be recognized for their year(s) of service:

- Seth Kaplan, MD, Dallas (Committee on Administration and Practice Management)
- Alison Ziai, MD, Austin (Committee on Administration and Practice Management)
- Sandeep Naran, MD, San Antonio (Committee on Child Abuse and Neglect)
- Lori Anderson, MD, Corpus Christi (Committee on Child Abuse and Neglect)
- Marilyn Doyle, MD, Austin (Committee on Community Health Advocacy/CATCH/School Health)
- Flor Munoz, MD, Houston (Committee on Infectious Diseases and Immunizations)
- Atoosa Kourosh, MD, Houston (Committee on Injury Prevention and Environmental Health)
- Halim Hennes, MD, Dallas (Committee on Pediatric Emergency Medicine)

UTMB Health
Pediatric Specialty Care Services

Comprehensive specialty care for all children.

The University of Texas Medical Branch (UTMB Health) offers state-of-the-art specialty care services in League City and on Galveston Island.

For a complete list of specialties and locations please visit:

www.UTMBKID.org.

One call to (888) 886-2543 connects to our Access Center available 24 hours a day, 7 days a week.

Dairy delivers the good stuff from farm to fridge. The nutrients in milk, cheese and yogurt help kids grow strong – bones, teeth and beyond! See how at DairyDiscoveryZone.com.

Please join us at the President’s Reception, Friday at 5:30 p.m.
Food and Fun

At the Hotel

Visit the Marriott fitness center, hotel swimming pool, or whirlpool.

Around the Hotel:
