Importance of Booking inside the Room Block

Booking a room within the TPS room block is an important way to support the TPS and helps keep the overall meeting registration fee and costs as low as possible. Booking “outside the TPS block” or at another hotel could expose TPS to monetary damages. Plus, staying in the hotel keeps you connected with all the activities and networking opportunities. Please “help us help you” by booking your room at the Renaissance and within the TPS room block.

Parking

Parking is available at the hotel for a fee. Self-parking is available at a discounted rate for those registered for the meeting and valet is available for $24.00 per day (current prevailing rates which are subject to change).

Ground Transportation

Taxis, rental cars, and shuttle services are available from both Dallas Love Field and DFW airports to and from the hotel.

Location

Renaissance Dallas at Plano Legacy West
