* **CW Daeschner Lifetime Achievement Award** - This is the highest honor given by the Society and recognizes outstanding lifetime contributions to the children and pediatricians of Texas, as well as to the Texas Pediatric Society. **This award is decided by a vote of the TPS Executive Board at the April board meeting.**

Sidney Kaliski Award - This award recognizes a **member of the TPS** who has served as an advocate for children AND who has made a substantial contribution to **BOTH** the health and welfare of children of Texas AND to the Texas Pediatric Society. **The Awards Committee determines the recipients of this award based on recommendations made by the membership.**

****Mary Greene-Noble Special Achievement Award (formerly the TPS Executive Board Award)** is presented to committee members who have made a significant contribution to the work of the Society in their specific area of expertise. Nominees are selected and voted on by the TPS Executive Board. **This award is decided by a vote of the TPS Executive Board at the April board meeting.**

Distinguished Service Award - This award recognizes a NON-TPS member pediatrician or physician, allied health care provider or layperson who has gone beyond the norm in expressing their dedication and love of children. **The Awards Committee determines the recipients of this award is based on recommendations made by the membership.**

***** Early Career Physician's Award (new in 2015)** - This award recognizes a TPS member - young physician or resident - for exemplary service to the Texas Pediatric Society. An "early career physician" nominee is one who is less than 40 years of age or who has been in practice five years or less. **The Awards Committee determines the recipient of this award which is based on recommendations made by the membership.**

TPS ANNUAL AWARDS

Note: In 2016 the TPS honored Bryan Sperry with a special recognition award in the form of a resolution in honor of his retirement from Children's Hospital Association of Texas. See 2016 award file for resolution.
