

PEDIATRICIANS OF TEXAS

The Texas Pediatric Society, the Texas Chapter of the AAP is Here for You

The Texas Pediatric Society,

The Texas Chapter of the AAP.

We understand the importance of your professional society

As a Member of TPS You Can Expect:

EDUCATION

Discounted registration fees, webinars, and training workshops tailored specifically to the needs of the Texas physician. Opportunities also exist for medical students and pediatric office managers.

INVOLVEMENT

TPS committees and sections are opportunities to collaborate with colleagues, regulatory officials and state legislative leaders on issues that impact child health and the profession of pediatrics.

SUPPORT

We help you address practice management issues, and communicate with public and private payers.

ADVOCACY

Your voice at the Texas Capitol — we fight for physician and patient-friendly laws, and keep you informed about the health care policy issues unique to Texas.
