Caring for kids... it's B.A.S.I.C.

Basic Education. Texas Children deserve a quality, basic education, ranging from pre-K to college!

Access. Texas Children and their families deserve access to a medical home, quality care, preventive care, and information important to their health and well-being!

Safety. Texas Children deserve to be safe at home, at school, and in the community-at-large!

Innovation. The Texas Pediatric Society Foundation will strive for innovation in the development of organizational and funding initiatives to help ensure that Texas Children enjoy a basic education, safety, and access to on-going care!

Collaboration. The Texas Pediatric Society Foundation will collaborate with medical care providers, the TPS, families, and the broader community of responsibility in the development of initiatives and in the delivery of services to all Texas Children!

*Providing for the Health, Welfare,
and Safety of our Children*

Providing for the Health, Welfare, and Safety of Our Children

Who We Are

The Texas Pediatric Society Foundation, a 501(c)(3) corporation established in 2001, is a public charitable foundation supported by the pediatricians of Texas, as well as other persons and organizations interested in the well-being of children and adolescents.

The Foundation maintains a strong relationship with the Texas Pediatric Society, one of the largest and oldest chapters of the American Academy of Pediatrics.

Our Mission

The Foundation's mission is to enhance the well-being of Texas children by supporting efforts to help improve their health, safety, and education and to make a positive impact on their lives and futures.

Our Leaders

The Foundation is guided by a board of directors made up of Texas Pediatric Society members, other professionals, civic leaders, and philanthropists from around the state.

What We Do

The Foundation awards funds to institutions and individuals in Texas whose projects contribute to the health, safety, and welfare of children and adolescents.

Over the years, we have provided hospital and ER physicians with resources to develop better treatment and prevention of childhood obesity and child abuse. We have funded educational programs that storyboard good nutrition for children and provide parents with practical tips for raising *The Happiest Babies*.

We have sent children to camp and helped parents get to class! The Foundation is proud to be a partner of change and will continue to work with local and state organizations to make Texas a better place for children. Some of the past recipients of Foundation grants include:

-  Texas Department of State Health Services – Excellence in School Health Awards
-  Garth House – Child Abuse Prevention Project Tips for Raising *The Happiest Babies*
-  Texas Children's Hospital – Child Protection Program
-  Texas Pediatric Society – Childhood Obesity Toolkit Project
-  The Children's Hospital at Scott & White – Health Education Storyboard Program
-  Southwestern Diabetic Foundation – Camp Sweeny

Why Give

Because the Foundation is totally supported by donors' contributions, your donation is critical to sustain and grow the Foundation's initiatives.

How to Give

The Foundation accepts donations by check or VISA or MasterCard. Donations are tax-deductible. If you would like to make a credit card donation by phone, please call us at (512) 370-1519.

Any gift to the Foundation can be made "in memory of" or "in honor of" a family member, friend, loved one, or colleague.

Levels of Giving

Your generous contribution qualifies you for one of the following giving levels:

Ambassador for Texas Children	\$5000 and Up
Protector of Texas Children	\$1000 - \$4999
Guardian of Texas Children	\$200 - \$999
Friend of Texas Children	Up to \$199
