4. Sustainability
Class of 2015

TEXAS STARMHAC
Statewide Association for Regional Medical Home Advancement

(Title V, Texas Children’s Health Plan, Texas Pediatric Society, and Texas Parent2Parent)
Progress

Engage family and youth

-Texas Parent to Parent Annual Meeting
http://txp2p.org/

Topics Include
• funding sources
• legal issues: guardianship and alternatives, estate planning
• school transition services & maximizing remaining school years
• medical transition
• opportunities for work
Mission
To promote a collaborative approach to the provision of transition services for youth in Texas with disabilities and special health care needs and their families.

Vision
Successful transition outcomes for all youth in Texas with disabilities and special health care needs and their families.

Last meeting: Mar 25
Next meeting: Jun 24
AMCHP Action Learning Collaborative

**Vision:** To enhance the development and promote the principles of the Patient-Centered Medical Home model within the state of Texas for CYSHCN through the promotion of the National Standards For Systems of Care for CYSHCN

**Goal:** To improve systems of care related to medical home/care coordination and family professional partnerships through the formation of an Action Learning Collaborative via the Medical Home Workgroup
